Re: Letter of Support for Resolution R06-01 by the Village Board of  
the Village of Waunakee

Dear Representative Travis:

Thank you for your letter endorsing and providing context for the village of Waunakee's Resolution R06-01. I am responding to your letter for Commissioners Ebert and Meyer, who cannot engage in ex-parte communication regarding the American Transmission Company's application to the Commission for approval of a new transmission line in the vicinity of Waunakee. (Commissioner Garvin is currently on active duty in the U.S. military.)

My staff will be entering your letter and the attached resolution into this agency's electronic regulatory file for this case. Our electronic file system is designed to make it easy for the public to keep abreast of information and developments regarding any case before the Commission. We hope that you will continue to follow this case through its filings, which can be accessed from the PSC's home page with use of the docket number (137-CE-139).

The Commission appreciates receiving information on the positions of local officials and carefully considers these during their deliberations on a case. In order to bring your letter before the Commission for use in their decision-making, my staff will make your letter part of the official record as an exhibit in the proceeding. You are also, of course, welcome to participate in the hearing itself.

Should you have any questions regarding the Waunakee case, please feel free to contact me at (608) 266-0699. Thank you again for your letter.

Sincerely,

*/s/ Robert Norcross*
